

HR DEVOLUTION AT BARBON REFLECTS ON-GOING EXPANSION BY ONE OF THE UK'S LEADING INSURANCE SPECIALISTS

The latest development in the on-going devolving of central support functions into its business units being implemented by Barbon Insurance Group Limited one of the UK's largest property insurance specialists, is the promotion of two of its team to HR management roles.

Simmons Miles and Tanya Le Warne, both of whom have several years experience in HR at Barbon, were promoted to the position of HR Manager and will in future report directly to their Divisional Managing Directors.

Simmons joined Barbon in a project implementation role and following five years as an HR Advisor, she has been promoted to the role of HR Manager responsible for the Lettings division's employees at Barbon's Lincoln and Glasgow offices.

Colleague Tanya Le-Warne joined Barbon three years ago as an HR Advisor providing HR advisory support to line managers. Her promotion to HR Manager puts her at the helm of the employee experience in the Property & Commercial division at the Bordon, Bournemouth, Croydon, Chelmsford and London offices.

Both promotions reflect Barbon's policy of, wherever possible, developing and promoting staff from within.

Barbon comprises seven strategic business units located in Croydon, Bordon, Lincoln, Chelmsford, Bournemouth, London and Glasgow. The company's market leading brands include Keelan Westall, Cadogan Keelan Westall, Deacon, Cadogan Hanover Park (SaifInsure, TruckInsure, Plastech, Performance Media and CareAssured), HomeLet, Letsure, BIBALet and Farr.
