

# Welcome to Barbon.

I'd like to take this opportunity to welcome you to the Barbon careers website and thank you for taking an interest in joining our growing team.

Here at Barbon we firmly believe that it's the way we deliver our services that makes the difference. Like many, we work in a very crowded market place so the way we deliver these services to our customers is what sets us apart!

That's why our employees are such an important part of what we do. The passion, enthusiasm, expertise and dedication they bring to work every day ultimately makes us who we are.

So whether you're looking at one of our customer facing roles, or providing support to the teams that do, we want you to feel that you are making a real difference.

In exchange, we offer everything you'd expect from one of Lincoln's biggest employers; from a state of the art office environment to some of the best career and development opportunities on offer.

I'll let you discover more about working here at Barbon and wish you luck if you apply for any of the roles currently available.
